

Summer Reading Project

For Children Entering Grade 2

Choose one of the books listed on the 2nd Grade Reading List. Read the book and pick one character to focus on. Create that character out of construction paper, cardboard, or any other creative idea. On the front of the character cut-out, decorate the character to look like he/she does in the story. On the back of the character, write the title of the book, the author and a brief summary of the book. Include something interesting about the character.

Children will present their character to their classmates the first day of school. Have fun and be creative!!
