

# Lunch Program Gift Cards

Since the lunch program gift cards were so popular, we are offering you the opportunity to purchase the gift cards again this year. The gift cards are similar to the \$25 lunch cards that you buy for the children to purchase their lunches each day, but they are offered in smaller increments. There are \$2, \$5 and \$10 gift cards available. These convenient amounts are perfect when you need a birthday gift for your child's classmates or teachers or when you need to thank a teacher or staff member for doing something special. Many parents have told us they like to use the gift cards as rewards for good behavior, or even as stocking stuffers at the holidays.

You may purchase the gift cards whenever you would like. Just send a note to the kitchen in an envelope clearly marked with your child's name and grade and "Lunch Gift Card Order" on the front of the envelope. On the note you include in the envelope (or use the form below) indicate how many gift cards you would like and in what denominations. Also let us know how you would like the cards delivered to you. You may choose to have your child bring them home in their backpack, or if you prefer, you may pick them up at the front desk in the school lobby (please allow 1 day for processing your order). When you give the gift card to the recipient, they will bring the card to the kitchen, where it will be kept with the regular lunch cards, ready for them to use to purchase any item the kitchen sells (i.e. lunch entrees, snacks, drinks, etc.).

So make note of all the people you would like to reward, thank or celebrate this year, and purchase a lunch program gift card for them!
