

Mother of Divine Providence

PANTHER WALK

Dear MDP Family,

Annually our students participate in what was previously known as the Race for Education. This year we are changing the program's name and process. The Panther Walk is a fundraiser that raises money for Mother of Divine Providence School's Endowment Fund. The Endowment Fund earnings are used to defray school operating expenses and capital expenditures (consequently keeping tuition rates down), as well as providing tuition assistance to students with a financial need attending MDP School.

On May 29th the students will walk around a ¼ mile area for a one-hour period.

Each family should receive a family folder which includes:

- An envelope with a donation form attached.
- A Planning Chart
- 2 Panther Walk Mailers
- 3 Sheets of Thank You's
- Last years Family Donations (2008 participants only)

We are asking students to request support from family and friends for their walk on May 29th. All monies collected are tax deductible. Students can request this support verbally or use the enclosed forms and mail them out. Monies can be collected in the form of Cash, Check or by using the PayPal link located both on the school and parish website. Students are to return the collected donations on Thursday May 21st. If extras forms are needed please contact Julie Fredette or visit mdpschool.com and follow the links for Panther Walk 2009.

All students that participate in this collection process will receive a dress down pass.

If you have any questions or would like more information please feel free to use the contact information below.

Sincerely,
Julie Fredette and the Panther Walk Committee
