

The MDP Endowment Fund has been growing steadily since 2005 due to the Annual Race for Catholic Education in the fall and our special Parish collection each spring. As it grows, its earnings will be used to defray school operating expenses and capital expenditures as well as providing tuition assistance to families in need that attend MDP.

Please consider making a tax deductible donation to the Endowment Fund. These donations can be made in memory of a deceased loved one or you can remember MDP in your Will. No amount is too small and each gift is deeply appreciated. Thank you for your consideration of this special fund.
