12th Annual Technology Auction
Saturday, February 11, 2012

Dear Friend,

Mother of Divine Providence School is excited to announce our 12th Annual Technology Auction – “Round-up at the MDP Corral.” Through generous community involvement, this fundraiser has proven to be an unparalleled resource in providing our children with an enriched learning environment through the use of contemporary technology.

If you are a new supporter of our auction, on behalf of the many school families that are supporters of your local business, we thank you for your help. To our past supporters, we are so glad you choose to “Put On Your Badge” and help us again this year!

Any contribution you could offer would be greatly appreciated. Your donation will be acknowledged in our auction booklet and will be displayed with marketing materials if you so choose.

You may complete the forms online or, if you prefer, print out, complete and send to the address listed on the forms. Your generous support will help to ensure our continued success.

Sincerely,

A handwritten signature in black ink that reads "Julie Fredette". The signature is written in a cursive style with a large, looping initial "J".
